

Welchester PLC Site Visit

Agenda with Descriptors

Session Title	Session Topics
Sign In 8:15-8:30	
Welcome/Logistics 8:30-8:45	We will start our day with host and visiting school introductions followed by an overview of the day.
Share Your Story 8:45-9:15	Where are you in the PLC process? What are your school's strengths in PLC's? What areas are you working on in PLC's?
Welchester's Story 9:15-9:45	Welchester began our PLC journey 5 years ago. The journey has included benefits and challenges. Both help us decide how to improve our structures and PLC practices. This session will include our mission, vision and collective commitments coupled with a glimpse of our data picture and structures. Also, our team will discuss benefits of our collaboration room and the the importance of having data visible.
See the Work 9:45-10:30	Focused on continuum Welchester will share our work based on the Jeffco PLC continuum indicator: <u>Results-Driven Data Conversations.</u> This session will include a live PLC observation for 30 minutes followed by debrief and reflection time.
Break 10:30-10:45	
Teaching and Learning 10:45-11:15	Site Visit Debrief Protocol Focused on continuum <u>Session 1:</u> Welchester will share our work based on the Jeffco PLC continuum indicator: <u>Common Formative Assessments.</u> Teachers will share how they develop and use common assessments built around prerequisites and the prioritized essential learning.
Q & A and Debrief 11:15-12:00	Site Visit Debrief Protocol

	<p>Welchester's Guiding Coalition will answer questions from the visiting schools and discuss our experiences in implementing PLCs at Welchester. This panel will provide insight on the challenges and benefits of building effective professional learning communities.</p> <p>There are two parts to this time. The first part will be time for your school team to ask questions to one of the members of guiding coalition. The second part will be debriefing time with your school team. .</p>
<p>Lunch 12:00-1:00</p>	<p>Directions to lunch</p>
<p>Teaching and Learning 1:00-1:30</p>	<p>Site Visit Debrief Protocol Focused on continuum Session 2: Welchester will share our work based on the Jeffco PLC continuum indicator: Pyramid of Interventions. The Welchester team will present our School wide Pyramid of Interventions. Welchester is proud to have created interventions blocks in both reading and math. We will share our interventions "What I Need (WIN)" time schedule, expectations and supports in our building. Also, Welchester has implemented Flex Days as another layer of support for students.</p>
<p>Q&A and Debrief 1:30-2:30</p>	<p>Site Visit Debrief Protocol</p>
<p>Share Out 2:30-2:45</p>	<p>Visiting schools will share out their next steps and plan of action.</p> <p>Copy of Welchester's PLC Documents for Site Visits</p>
