

VERSION 5 CHANGES & ADDITIONS

****MAJOR CHANGES****

A lot of new guns were added. We also moved some guns around. Then we rebalanced all of the guns. So pew pews might feel a bit different.

****FIXES****

Landmines can now be exploded with firearms/melee
Raptor, shark, and snail are now fire proof... for reasons
Baby Bear on fire particles are best I can get them right now
Local for JMCampingTentBedroll
Trees grown by players no longer grow sideways (I hope)

****ADDED****

ADDED .45 ACP ammo type
ADDED 5.56 ammo type
ADDED Iron sights to Foam Finger, Bearit, Laser Shotty, Laser Sniper
ADDED Better iron sights to Mac-10

ADDED A LOT of guns to fill up the .45 and 5.56 gun tiers
*Note - low poly guns are 3D printed RizCo guns that degrade twice as fast but are really good
ADDED T5 RizCo Glazer (LE laser gun)
ADDED serrated arrows and bolts that deal bleed damage

ADDED Metal Chair club
ADDED Broken Bottle knife

ADDED Igloo POI by Valentine
ADDED Cirkus_Tuax_02 by Tuax

ADDED RizCo Snowball Maker
ADDED Brass Plant
ADDED The Chest of Holding - drops from the Mimic. Largest storage in the game.
ADDED 9 new large storage containers
ADDED multi blocks for rollup wood and steel garage doors
ADDED The Hearse vehicle
ADDED The Puttahround mobility scooter
ADDED The Choo Choo

ADDED A dire version of Awoo (the werewolf)
ADDED Chester the Jester zombie

ADDED zombie tourist, Touring Tommy
ADDED a fast version of the Seriously A Robot
ADDED a Giant Little Creeper
ADDED low poly zombie variants (Hysterical) that are essentially radiated versions of the regular low polys

ADDED RizCo Lube (Limited Edition), increases rate of fire on automatics by a stupid amount
ADDED Heavy Armor Plating Mod - gives +3 and can be installed on all armor

ADDED Two new funky beats for Twitch's Dance Off and our Dance Monkies candy
ADDED tickets as rewards for completing challenge groups and certain individual challenges
ADDED T2, T3, and T4 treasure maps. More dangerous, better loot.

****CHANGED****

MAJOR CHANGE - removed the laser perk. All laser guns now benefit from the base perks such as Gunslinger, Boomstick, etc. Also split laser pistol and rifle beams into two ammo types.
MAJOR CHANGE - you can now take multiple quests at the same time
MAJOR CHANGE - restored sleeper dots in POI for quests
Moved the Pipe Machinegun to 5.56
