SUBJECT: Response for request of Information in Relation to UFO Contact and
Other Related Information

TO: Len Stringfield

1. In January of 1978, I was station at McGuire AFB, NJ.. One evening , during
the time frame of 0300hrs. and 0500hrs., there were a number of UFO sightins in
the area over the air field and Ft. DIX Army camp. I am a security policeman
and was on routine patrol at the time. N.J. State Police, and Ft. Dix MP's were
runnig code in the direction of Brownsville N.J.. A state trooper then entered
Gate #5 at the rear of the base requesting assistance and permission to enter.
I was dispatched and the trooper wanted access to the runway area which led to
the very back of the air field and connected with a heavily wooded area which
is part of the Dix training area. He informed me that a Ft. Dix MP was
pursueing a low flying object which then hovered over his car. He described it
as oval shaped, with no details, and glowing with a blueish green color. His
radio transmission was cut off. At that time in front of his police car,
appeared a thing, about 4ft. tall, greyish brown, fat head, long arms, and
slender body. The MP panicked and fired five rounds from his .45 Cal into the
thing, and one round into the object above. The object then fled straight up
and joined with eleven others high in the sky. This we all saw but didn't know
the details at the time. Anyway, the ting ran into the woods towards our
fenceline and they wanted to look for it. By this time several patrols were
involved.

2. We found the body of the thing near the runway. It had apparently climbed
the fence and died while running. It was all of a sudden hush-hush and no one
was allowed near the area. We roped off the area and AF OSI came out and took
over. That was the last I saw of it. There was a bad stench coming from it too.
Like ammonia smelling but it wasn't constent in the air. That day, a team from
Wright-Patterson AFB came in a C141 and went into the area. They crated it in a
wooden box, sprayed something over it, and then put it into a bigger metal
container. They loaded it in the plane and took off. That was it, nothing more
said, no report made and we were all told not to have anything to say about it
or we would be court martialed.

3. I will be getting out of the air force in about two months. Do Not disclose
my name as I could get into trouble. I am interested in pursuing this and other
matters if you need help. Forgive me for not signing this but I can't take any
chances. Please reply to the above address and my parents will forward it to me
or I will be home already. Don't send it here because they monitor all mail
closely and I again don't want to take any chances.
