

Hey **[insert boss' name]**,

I'm really interested in attending the **AI Accelerator Summit in Boston** (full details are at: <https://world.aiacceleratorinstitute.com/location/boston/>) and would like to inquire if you'd be able to offer the financial support for me to do so.

AIAI's event is dedicated to supporting **AI practitioners** through their business journey with the insight, knowledge and connections needed to make an impact in their market.

This is not your typical event. In fact, it's more focused on breaking the everyday working cycle, connecting with like minded professionals from around the world and getting practical advice to be more successful in our own businesses moving forward.

Between the content presented in the [number of sessions], trainings and keynotes, I plan to strengthen my skills in **[X]**, **[Y]**, **[Z]** and from the research I've done into the upcoming event, I think it will help with these goals of my current role at **[company's name]**:

- **Goal #1:**
- **Goal #2:**
- **Goal #3:**

Ran by **Lotus, Deutsche Bank, Lotus**, plus more, sessions include:

- Creating Total Business Efficiency with AI
- Compute and Data Training Requirements for AV
- Driving Business Value with AI

Lots of respected leaders within the field are talking about it and this is what one had to say about last year's event:
"The field is accelerating very fast. Conferences like this help us understand what is the state-of-the-art." Ryan Alimo (NASA & Opal AI)

I believe **the AI Accelerator Summit** would equip [company name] with the quintessential knowledge to differentiate our services from our competitors, and given the payment plan options available to make the event financially viable, this would be a shrewd investment. As well as this, I'll be sure to submit a post-event report including an executive summary, major takeaways, tips, and pictures from the event.

I'd be delighted to discuss this opportunity with you in further detail. Let me know if there's anything else you need from me at this stage.

Thanks,

[Your name]
