

GRADUATION TUXEDOS

Stallone's Formal Wear is the official provider of graduation tuxedos for SLUH. Representatives will be on campus in March to measure all graduating seniors. Ms. Cordia will direct the seniors to their exact times. They will go during Advisory and Activity Period.

Some important points –

- SLUH provides a white tuxedo jacket, tuxedo pants, suspenders, black bow tie and cummerbund.
- A student may wear his own plain white dress shirt (without a button-down collar) and his own black dress shoes or you may rent them through Stallone's.

- Stallone's reps will ask the seniors, when fitting them, if they would like to order (rent) a shirt/and/or shoes from Stallone's.
- **If they would like to rent them**, the items will be with their graduation tuxedo at pick-up and **you pay Stallone's directly for shirt/and/or shoes (\$18 each).**

- Stallone's has four locations in St. Louis: Ladue, Maryland Heights, O'Fallon and South County. **Seniors will be asked which location is most convenient for their pick-up and return.**
- **It would be helpful to discuss these points with your senior before the fittings in order to expedite the process.**

- Measurements are kept on file with Stallone's and can be used, if desired, to easily order a prom tuxedo later in the spring directly through Stallones.
- **If a senior would prefer to stop by one of the stores and be measured for his graduation tuxedo early, he is welcome to do so at any time.**
