

Minutes for 5/8/26 Sustainable Task Force Meeting

- I. Call to order: 0800- present: David Kuritar, Jason Farris, Carrol Harvey, Laura Gordon, Carol Greenstreet, Steve Woolf, David and Tamara Buttery and Becca Parrott
- II. Review Results of Individual Research and What else do we need to know/investigate:

Jason: discussed facility needs and ideas for improvement with little to no cost for the district. He brought up Johnson Controls and Snyder electric as potential for energy audit and possible help with bond.

Discussion of near term items to address: Jason's ideas, spending freeze, BOCES for cost saving, look for redundancies with MA, Activity and Athletics fees, Update purchased services agreement, work with City/County to save costs, transportation-consider options, activities-review policy (varsity reserved for district students), use of Gateway-rental options,

Recommendations: 0 based budgeting, DAC meet again to discuss budget, Layout truth
- III. Discussion of Obstacles:

Trust hasn't been built, education needed—remind community that this is their investment, tough year financially for all
- IV. Assign Tasks for the Next Meeting:

Carol-can Gateway be rented
- VI. Adjourn: 0945
 - a. Next Meeting – Wednesday, May 13, 2026 at 3:30 p.m.
