

Privacy Policy for Coding Planets 2

This privacy policy governs the use of the Coding Planets 2 mobile application.

1. Information We Do Not Collect:

We want to reassure our users that Coding Planets 2 is designed as an offline application, and we do not collect any personal information, user data, or sensitive data.

2. Offline Usage:

Coding Planets 2 operates entirely offline, and no internet connection is required for the core functionalities of the application. This means that your usage of the app does not result in the transmission of any data to external servers or third parties.

3. Permissions:

Coding Planets 2 may request certain device permissions for optimal functionality. These permissions are strictly limited to what is necessary for the app's intended purpose. We do not misuse or access any information beyond the scope of the application.

4. No Analytics or Tracking:

We do not employ any analytics tools or tracking mechanisms to monitor user behavior. Your use of Coding Planets 2 remains entirely private, and we do not gather any insights into how the app is used.

5. Updates:

Periodically, we may release updates to enhance the features and functionalities of Coding Planets 2. These updates can be obtained through the respective app store platforms, and the update process does not involve the collection of personal information.

6. Changes to this Privacy Policy:

We reserve the right to update this privacy policy to reflect changes in our practices or for other operational, legal, or regulatory reasons. We encourage users to review this privacy policy periodically for any updates.

7. Consent:

By using Coding Planets 2, you signify your understanding and agreement to this privacy policy. If you do not agree with our policies, please refrain from using the application.

This privacy policy was last updated on March 30, 2024.
