ECHS At Home Test Security Form

Dear Parent or Guardian,

Your student is taking the PCC Math ALEKS placement test for consideration in the Early College program. Their score on these tests determines their placement in the appropriate level math courses at Portland Community College. It is essential for their future success at PCC that we receive an accurate and valid score that reflects their current knowledge. Students taking these tests are not permitted any outside support or resources to ensure the accuracy of their scores.

We ask that you proctor the test and ensure that no outside assistance is provided. This includes help from textbooks, graphing calculators, the internet, and/or other friends or family.

Student Name: _____

I verify that the student above took the ALEKS Math assessment without outside assistance.
