

Bakugo vs Rex Splode

The day was nice and bright, the sun was shining and the city was bustling. However, in an alleyway were two men five feet apart because they're not friends. They were enemies. Katsuki Bakugo was standing over a villain with pure bloodlust, hoping to end their life with one blast from his sweaty ass palms.

???: Oi you!

Bakugo turned around and saw another man approach him. This man was Rex Splode, who had heard some commotion and decided to check it out.

Bakugo: WHAT DO YOU WANT YOU EXTRAFFFFFF

Rex: Dude what the fuck chill out I only wanted to know what the fuck was going on here.

Bakugo: NONE YOUR BUSINESS YOU DAMN NERRRRRRDDDDDD

Bakugo then immediately attacked Rex like a dickhead. He used his explosions to launch himself towards him and shoved him out of the alleyway. Rex epically shoved Bakugo off and backflipped to a safe position before throwing the little grey cylinder things he has on his hips at him, causing explosions all over his body.

However, Bakugo simply walked through them all, shrugging off any attacks made against him. Rex ran away like a bitch and pulled off the door of a conveniently placed car in the road and yeeted it at the high schooler, causing a massive explosion. But suddenly, Rex's face was grabbed and he couldn't release himself. Bakugo emerged from the explosion and looked him dead in the eyes.

Bakugo: I EAT EXPLOSIONS FOR BREAKFAST. HAVE A TASTE OF YOUR OWN GODDAMN MEDICINE.

Rex's face was then exploded into a million pieces as his body lay on the floor. Bakugo had killed him like the meanie pants that he is.

BUT OUT OF NOWHERE, REX'S BODY GETS UP AND GRABS BAKUGO????

BAKUGO: WHAT THE FUCK I KILLED YOU?????

Rex: Don't you know...this fight is only loved when I'm wanked to all hell...

Suddenly, Rex's head regenerated and the two boys locked eyes once again, but this time Rex was grabbing Bakugo with one hand and he ripped through his stomach with the other.

Rex: I do have one thing...

Bakugo: WHAT THE FUCK ARE YOU TALKING ABOUT!!!!

Rex: My entire goddamn skeleton...

Bakugo: WHAT THE FUUUUCCCKKKKKK

A planetary level explosion happened and destroyed a singular lamp post. Rex Splode died and Bakugo...stood there without a single scratch on him.

Bakugo: errrm well that just happened
