### Old News:

#### *Catholic Schools Week*

**Roller Kingdom-** a great success despite being on a Monday night. Thank you to Sarah Thomas who manned the door with me and kept track of our raffle tickets! Do we want to add a second night sometime in April? *There will be a poll posted online/ through email and Facebook to see if it should be a Monday/Tuesday and if it might be a good option over April vacation.*

**Stock the Teachers Room, Teacher Lunch, Teacher Breakfast–** a huge thank you to all who donated. Amazing success, as usual, tons of food left over.

- Student breakfast? Are we happy with the packages of donuts or should we try the glazed donuts again? (We used to get Heavenly Donuts, but could easily do Market Basket) *We will no longer be using the packaged donuts, no one likes them. We will switch to a fresh donut from Market Basket.*

**Mom/Son Dance–** wow, what a turn out!! *Laurie Geary, Amanda Cabral* and team–amazing job! Thoughts on dance? Tweaks? *This should be moved to March, and we will hold it in the Thompson center. It is too out of control to have it in the main building anymore.*

**Laser Show–** kid feedback? There will be one other assembly this year– possibly bullying. In lieu of field trips, bussing issues
