

Dear Freshmen and Parents/Guardians,

Class of 2030, the next four years will go by quickly, but we will be here for you with anything you need. Make sure to reach out to us if you have any questions about scheduling, personal conflicts, extracurricular activities, or just have something on your mind that you need to discuss. If you have any questions, always feel free to email me so we can discuss the needs of your student.

Throughout the school year, we will be sending monthly emails with important information. All new information will be at the top of the email, and anything that is recurring will be in the latter part of the email.

Passes are through Smart Pass and Google Calendar invites. Email communication is key at North Hunterdon. Make it a point to check email regularly to see any updates from teachers or counselors.

The [counseling website](#) will house important information going forward as you navigate high school. Make sure you are familiar with that.

If you are interested in learning more about clubs and activities here at North Hunterdon, please use this [link](#).

College Fair

Make sure to mark your calendars for our annual College Fair Night, which will take place on Wednesday, **September 23, 2026, beginning at 6:00 pm** in the Main Gym. Many colleges, universities, military, and technical schools will be attending. This informative night will feature representatives from these institutions who can assist you in making those postgraduate decisions. A final list of institutions attending will be shared closer to the date of the fair.

Fall College Panel Night Event

The counseling department will be hosting a fall college panel night on **September 30, 2026, at 6:30 pm** in the theater. The first half of the evening will consist of a panel discussion. The panel will briefly cover a variety of post-high school options (4-year school, 2-year school, vocational school, military, etc.). Panel participants will include representatives from both public and private colleges, community college, the military, and vocational school. For the second half of the evening, our panelists will be hosting breakout sessions. There will be time to select two sessions that you would like to attend. More information will be sent closer to the date.

Tutoring

The North Hunterdon-Voorhees district is once again offering free, 24/7 tutoring services to students. This includes tutoring for [100+ subjects](#), including AP®; a drop-off writing review; practice quizzes for math, science, and ELA; and test prep for the SAT and ACT. Go to tutor.nhvweb.net to access the service. Please note that students will be limited to a maximum of 10 hours of tutoring services per calendar month. The North Hunterdon-Voorhees district is once again offering free, 24/7 tutoring services to students. This includes tutoring for [100+ subjects](#), including AP®; a drop-off writing review; practice quizzes for math, science, and ELA; and test prep for the SAT and ACT. Go to tutor.nhvweb.net to access

the service. Please note that students will be limited to a maximum of 10 hours of tutoring services per calendar month.

More information about the service and how to access it can be found here: [NHV Tutor.com Startup Guide](#). This information was also shared with your student.

For more information on jobs, volunteer opportunities, summer programs, community information nights, and more, please follow this [link](#).

If you are looking to enter **Community Service hours in Aspen** and are unsure how to enter these hours into ASPEN, visit the guidance website-
<https://www.nhvweb.net/guidance/entering-community-service-hours-in-aspen>

If there is anything we can do to help, please feel free to reach out.

Have a great long weekend! See you on Tuesday. It will be a D day.
