Identifying your career vision

Objective:

- Get direction and clarity for your career and professional life.

Background:

- You are currently struggling to see the long-term direction of your career.
- You are unhappy with where you are but not sure where you want to go.
- You have moved away from jobs, not towards them.

Offering:

- **The Career Transition System - Career Vision Intensive**
 - Full Course Platform for Career Vision Fundamentals (4 modules with videos, PDF documents, examples...)
 - 2-3 live coaching sessions (1 on 1)
 - Unlimited questions via text/voicemail support for ~14 days

Process:

- **Getting ready**
 - You decide on the course and pay the fee
 - You will get access to the platform
 - You will go through the fundamentals and prepare yourself
- **1 on 1s**
 - We will do a session with you to understand the status quo (all sessions will be recorded, and you can download them for 30 days)
 - We will give you specific feedback and improvement points
 - We check in with you on the progress
- **Text/Voicemail support**
 - You can send us your questions, and we will respond —usually within 24 hours on working days.

The anticipated Outcome:

- **Building a career vision/direction**
 - You will gain more clarity on what is most vital for you as an individual as well as a professional
 - You will learn from the core mistakes of others and not repeat these
 - You will understand the process of how to translate your career vision into tangible job opportunities

Bonus: We will also give you access to our course on building your job funnel - for free!
