EMAIL SWIPE #7 (Mail AT 7PM EST) — Replace 3 Tools Angle

Subject Line: Replace 3 Monthly AI Video Subscriptions With ONE App

Hey,

Quick math:

If you're serious about AI video right now, you're probably paying:

💰 ~\$30/month for one video tool

💰 ~\$50/month for another

💰 ~\$90/month for a third

That's \$170+/month.

\$2,000+/year.

And you're STILL stuck with 5-second clip limits.

💡 **What If One App Replaced All Three?**

AI Long Video Creator is a brand-new app that generates FULL, long-form videos from a single prompt.

- ✓ Replaces 3 separate AI video tools
- ✓ Long videos, not 5-second clips
- ✓ AI voiceover & captions built in

✓ One-time payment, no monthly fees
