

## **470 CLUB LOCOMOTIVE RESTORATION PROJECTS**

**The restoration of F-7 diesel locomotives 4266 and 4268 has been completed by the 470 Railroad Club and they are running on the Conway Scenic Railroad**

**Locomotives 4266, 4268 and 573 can be seen on this video**

** Boston & Maine F-Units at Conway Scenic Railroad**

**The restoration of GP-9 diesel locomotive 72 is the current project of the 470 Railroad Club taking place at Conway Scenic Railroad. Progress including video and still pictures is regularly posted on this blog. Here is a September 2023 video of 72 on the turntable**
