NCSSM Fall 2024 Final Assessment Schedule

This final assessment schedule is designed to provide synchronous final assessment time for courses that require it. Some sections of courses below may not use the published final assessment block. If you have any questions, please ask your instructor.

There are indicated deadlines for final projects, papers, and take-home exams by academic discipline. Submission of final projects and papers for science classes occur during a synchronous meeting block; your instructor will provide instructions for when to meet and confirm submission of these final assessments.
