Important Policies & Regulations <u>SEAC Guide Overview of Regulations</u> School Board Policy <u>BCF</u> School Board Policy <u>BCF-AR</u> School Board Policy <u>BDDL</u>	The committee did not review policies or procedures linked. The links are there for frequent review.
Community Resources	Subcommittee to review and recommend community resources and special education at each grade level. Volunteers Brian, Tiffany, Jenny - Met to brainstorm how SEAC could support identifying and communicating community resources for children and families with disabilities. An idea formed regarding possibly inviting local doctors, or developing information to educate parents on the difference between medical and educational (overlaps with Parent Information) The committee discussed Age of Majority and Transition. Early intervention services were also discussed, understanding that VA serves children ages 2 through 21, inclusive. Brian summarized the conversation. It was noted that there is overlap between the Parent and Community subcommittees.
Operational Guidelines	Subcommittee to review current regulations, documentation, and possible development of bylaws for the committee. This subcommittee did not meet due to the number of committee member absences
Parent Resources & Tools	Subcommittee to review and recommend resources and pathways for parents, Volunteers Katie, Kristen, Barbara The subcommittee will brainstorm a name or title for this subcommittee

Staunton City Schools
2023-2024 Special Education Advisory Committee - Meeting Minutes

	<p>The committee began by reviewing local and regional division websites to get ideas. The committee also reviewed the SCS website to get ideas. Possibly developing a common language guide or defining common terms in easy to understand language. Katie summarized their discussion. They like the FAQ document found on another division's website. Specific information regarding Transition.</p>
