Purpose: Kahoot.it is a fun online game that allows you to search or make your own online quizzes. The game atmosphere makes it a joy to use!

Who needs the technology?: Everyone needs a device. Works on Phone/Tablet/Computer

How to Use it:

1. Go to <https://getkahoot.com/>
2. Click the purple button marked **Get my free account** .
3. Answer the questions about yourself.
4. Click, **Create new Kahoot!**
5. Type in your questions. Drag or search for photos to liven up your quiz.
6. Click Preview quiz to see if it works!
7. You can change the time, what it looks like, etc, under settings.
8. Tell your audience to go to Kahoot.it and give them code.
9. Have fun playing!

Things to know:

1. You can only see the top 5 scorers.
2. The students get super excited playing this game.
3. Have a reward for the top 5 scorers to make it even more competitive.
4. You can download the rankings.
5. You can also share the quiz with others but they must have a kahoot.it account. They can search for you if they know your name/quiz name.
