

Privacy Policy

Effective Date: October 11, 2025

Developer: Ibragimov Rinat (Cyprus)

1. Introduction

This Privacy Policy describes how the mobile application “**Годовщины**” (“the App”) handles user information.

We respect your privacy and are committed to protecting it.

2. No Data Collection

The App does **not collect, store, or share any personal information**.

- The App does not track your activity.
- The App does not use analytics tools, advertising SDKs, or any third-party services.
- The App does not transmit any data to external servers.

3. Device Permissions

The App may request access to your **device calendar** in order to create and manage anniversary events.

This permission is used **solely for adding events to your local device calendar** and is never shared with anyone.

You can deny this permission, and the App will still function, except for calendar-related features.

4. Offline Operation

The App works **completely offline** and does not require an internet connection.

5. Children’s Privacy

The App is suitable for users of all ages and does not collect any data from children.

6. Changes to This Policy

If we ever make material changes to this policy, we will update this page with the new effective date.
