Wiley Elementary has accepted a grant from the Kansas State Department of Education to implement the Parents as Teachers Program in our school.

Parents as teachers is a National Program that serves prenatal through 5 year old families. Parents as Teachers promotes the optimal early development, learning and health of young children by supporting and engaging their parents and caregivers. We advance the delivery of high quality services for families through a comprehensive system of supports and innovative solutions. (Please click the link above for more information about the program.)

If you are interested in services from the Parents as Teacher Program, please call Wiley Elementary at 620.277.4431. Please ask for Kari VanPelt or Deana Novack. Participation in the Parents as Teachers Program allows your families to get acquainted with Wiley Elementary. We are excited to meet you!
