

Dear parents,

On behalf of the Social Service Club, I am writing to invite you to participate in the “Walk for Water Walkathon”. Our Social Service Club is organizing this walkathon to raise funds for a charity called “ Water for Life”.

Water for Life is a registered non-profit charity that seeks to provide clean water for people in need.

The walkathon will be held on 25 February at 7:30 am. Students, staff, parents and other members of the school community can participate in the walkathon. The start point will be at Hong Kong School.

You will enjoy lots of benefits by joining this event. First, you can raise money for water for life. Also, you can get a firsthand taste of hardships faced by people living in some of the world’s driest areas.

If you have any questions, you can email us at [ssclub@hks.edu.hk](mailto:ssclub@hks.edu.hk) and you can register on the club’s website [www.hksssc.edu.hk](http://www.hksssc.edu.hk).

We look forward to hearing from all of you.

Yours faithfully,

Rex Lee
