

The Joy of Motion Commentary

“At level 7 you can already take 10 when Climbing and Swimming under duress due to having climb and swim speeds.”

Yeah, I know. I put it down in case you somehow get the Athletic Mastery feature without actually having climb or swim speeds. But how might that happen...? (There's a feat that makes it happen, Obtain Doctrine Feature. Sorry I ruined the surprise. If you're reading these in the order I presented them then you've already had it ruined)
