2019: Just in time to warm hearts and delight taste buds, Pumpkin Pie, Cranberry Sauce, Hot Chocolate, Egg Nog and Candy Cane Jelly Belly® jelly beans return for a limited time in the Holiday Favorites Collection from Jelly Belly Candy Company.

Sweet lovers will experience a holiday flavor adventure with these classic and beloved flavor profiles:

Pumpkin Pie: Every family has their own recipe, and the Jelly Belly family is no different! Warm flavors of ginger, pumpkin spice and a hint of golden crust merge on the palate to create a flavor befitting the finest Thanksgiving celebration.

Cranberry Sauce: The tart flavor of cranberry combined with the sweetness of a Jelly Belly jelly bean, the flavor is a refreshing burst that brings to mind crisp autumn evenings.

Hot Chocolate: All the creamy cocoa flavor with none of the waiting as it cools down. Experienced Jelly Belly bean connoisseurs will combine two Hot Chocolate beans with one Toasted Marshmallow bean to fulfill their inner child.

Egg Nog: Ask our flavor team and you'll learn the key to good egg nog is the perfect balance of nutmeg. No alcohol in this recipe, just a creamy taste with the right amount of spice.

Candy Cane: Jelly Belly fans wait all year for this effervescent peppermint flavor. Speckled with green and red, just like a candy cane, mint lovers rejoice.
