29	Last Sunday I visited a marine park called Sea World, which is at Surfers Paradise near Brisbane. It's the Australia's largest mmarine park and I had a wonderful day there. The first thing I saw was the Oceanarium, which is a place where you can watch all sorts of fish and animals under water. There are huge turtles, sharks and beautiful tropical sea fish. The most exciting thing was watching a man feeding feeding the sharks. He wore a special diving suit. Then I watched the performing sea animals. The show was in a big outdoor swimming-pool. There were killer whales, dolphins and sea lions, and they did all sort of fantastic things in the water. One of the girls in the show rode around the pool on the back of killer whale, and another girl rode under water on the back of a big turtle. After the show I had lunch. There were several big restaurants at the park and I had lunch in a restaurant that was shaped like a ship! Then I watched wonderful water-ski show which was held on a lake. There were lots of other things to do at the park. There was like a cruising, a train
