Close the Blinds
Sample PA Announcement

Week of Campaign

Did you know buildings lose heat out of their windows? Closing the blinds at the end of each day is like pulling on a blanket before going to sleep. Help our schools stay cozy by closing the blinds, preventing heat loss and saving energy.

As part of the **Energy Cup Challenge**, we are asking everyone to help and make sure blinds are closed in your classroom before you head home for the day. Thank you.

Day of Campaign

A quick reminder that we're running our Close the Blinds campaign this week! Remember to close the blinds in your classroom at the end of each day before you head home.

Thank you for your doing your part to help NLPS save energy while bringing us one step closer to winning the **Energy Cup Challenge**.
