Description:

On the upcoming professional activity day, elementary educators across the school board will be engaged in targeted training to strengthen literacy instruction and student achievement. The morning sessions will focus on evidence-based practices, including the use of early reading screeners, vocabulary development, and effective writing instruction. Educators teaching French will also participate in professional learning designed to enhance instruction in both Core French and French Immersion programs, with an emphasis on supporting students' oral language, vocabulary, reading, and writing skills. These sessions reflect our ongoing commitment to providing high-quality education and ensuring all students have the tools they need to succeed.

The second half of the day will be dedicated to report card writing, as per the employee group collective agreements.
