

# getting to know...

## **Jim Lepage**

Raised in Rumford Maine. Air Force from 1976-1980, Pratt and Whitney Aircraft from 1980-1990, The Orvis Co from 1990-2020. Retired and enjoying time in Maine. Camp in the great North Woods since 1979, and a camp here on Echo Lake with my wife Debbie (married in 1976) since 2014. I stay active in Courtesy Boat Inspection (CBI), and Invasive Plant Patrol (IPP). I've participated in many boards including American Fly Fishing Trade Association, American Museum of Fly Fishing, Sunderland Board of Selectman acting as Road Supervisor, President of Scientific Anglers, and Executive VP for Orvis Outdoor. I'm committed to the Lake and its shoreline, and think we all have something very special here connected to Echo Lake. I'm committed to that preservation.
