

Tatsirin Sawangboon<sup>1\*</sup> and Sukanda Dankunprasert<sup>2</sup> (15 pt)

(Received: ; Revised: ; Accepted: )

## Abstract

The Abstract should be 150 to 250 words in length. (16 pt)

**Keywords:** First keyword, Second keyword, Third keyword (16 pt)

---

<sup>1</sup> Assistant Professor, Department of Educational Research and Development, Faculty of Education Mahasarakham University (15 pt)

<sup>22</sup> Lecturer, Mathematics Program, Faculty of Education Mahasarakham University  
Research grant from National Research Council of Thailand

\* Corresponding Author E-mail: tatsirin.s@msu.ac.th

## Introduction

The margin text from the left and right are 2.5 cm, top and bottom are 2.5 cm. The manuscript is written in Microsoft Word, single space, TH SarabunPSK 16 pt or **Time New Roman 12 pt**, and maximum 12 pages

*The Journal of Educational Measurement Mahasarakham University: JEM-MSU* semiannual, publishing the January-June issue and the July-December issue. Three types of academic works are accepted for consideration: academic articles, research papers/theses and book reviews, in the sciences of measurement, evaluation, educational research, statistics, educational psychology or related fields, provided that the academic work has never been published in any other journal or document, and that the author is responsible for carrying out a strict examination on the matter.

## Objectives

- 1.
- 2.

## Method

1. Population and sample
2. Research instrument
3. Data collection
4. Data analysis

## Results

## Discussion

## Recommendation

## References
