

Dear _____,

November 15th, 2019

Thank you for the interest you have shown in continuing to develop your musicianship. It is with pride and confidence that I am extending an invitation for you to represent Eich at the 2019 Capitol Section Honor Choir! The Capitol Section Honor Choir is a director-selected honor choir. The top singers from around the Sacramento area will gather for three days of rehearsal and then present a concert. Singers will get to work with an amazing college level choir director and perform in a professional venue.

Students interested in participating in Honor Choir need to understand the commitment up front. I must send students in groups of three (soprano, soprano, alto voicing). For that reason if you are unable or unwilling to commit to Honor Choir, I need to know **now** so that I can ask someone else. It is essential that you clear these dates on your calendar before I can plan to send you. *(Students must be present at each rehearsal in order to perform the concert. Missing one rehearsal or part of a rehearsal will result in being expelled from the Honor Choir.)*

You will be responsible for your own transportation to each rehearsal.

Mandatory Rehearsal Schedule (CSUS Music Building, Capistrano Hall, Band Hall Rm 143 6000 J Street, Sac., CA 95819)

Saturday, January 25th 9:00am-12:00pm Rehearsal,

2:00 pm Concert

The fee to participate is \$35 and covers the costs of the guest conductors, rehearsal and performance space rental, and sound engineer. Cash or checks made out to "Eich Middle School" should be returned with the sign-up form.

Please contact me with any questions!
