Do What? When?

TEP Students make a

SPLASH!

VOLUME 14

MARCH/APRIL, 2012

Try TEP's Book Lending Program!

Did you know that you can borrow books for up to two classes from the TEP office? Follow these easy guidelines below and YOU can borrow books too!

1) To be eligible to borrow books for Summer 2012, books borrowed during Winter 2012 **MUST** be returned to south campus TEP office no later than May 2nd at 4pm. Don't forget the date... May 2nd!

2) To borrow NEW books for the Summer 2012 term, pick them up on May 7th or 8th between 8am and 4pm at the TEP south campus office. These are the ONLY dates you will be able to pick up books for the Summer term so mark your calendars NOW.

3) Make sure that you bring a copy of your Summer 2012 schedule AND a copy of your educational plan. THESE TWO DOCUMENTS MUST MATCH. You will NOT be able to borrow books if these 2 documents do not match.

4) If your educational plan does NOT match your course schedule for Summer 2012, you MUST meet with a TEP advisor and update your educational plan PRIOR to May 7th. Call 954-201-8420 now to schedule your appointment.

5) **LEARN, SUCCEED, TEACH!**

Student Teacher of the Month: Areeya Ali

TEP's Student Teacher of the Month is Ms. Areeya Ali. Ms. Ali is currently a student teacher at Deerfield Beach High School in Deerfield Beach, FL and is pursuing her Bachelor's degree in Education for Secondary Mathematics.

Ms. Ali says, "I have gained so much knowledge and accumulated numerous techniques on how to be an effective teacher. My cooperating teacher, Colleen Lynch, is extremely helpful and encouraging. She is always willing to answer any questions I have and presents me with endless resources to make my lessons a success. Ms. Lynch is always looking out for the best interests of her students and she is never scared to try a different approach."

Ms. Ali feels her experience has helped her grow as an educator and provided her with the necessary skills to be successful throughout her teaching career. Ms. Ali encourages future students to take full advantage of the opportunities presented to them during student teaching, as it will award many future benefits.

TEP would like to extend our congratulations to Ms. Ali for her outstanding work and look forward to hearing more good things from her in the future!

Graduate Spotlight: Javett Smith

Javett Smith, one of TEP's esteemed honor students, graduated with a Bachelor's degree in Education for Middle Grades Mathematics in December 2011. We asked Javett to share her recent experiences since graduation, and here is what she had to say:

My recent experience in the classroom as a full time teacher has taught me a lot. I am currently teaching Algebra 1A and Geometry at Hallandale High School. The administration and staff at Hallandale has been nothing but supportive in my new career as a first year teacher. I was provided with a NES coach that will guide me through my first year as a teacher.

I am in a classroom infused with technology such as a document camera, projector, promethean board and an active slate to circulate the classroom.

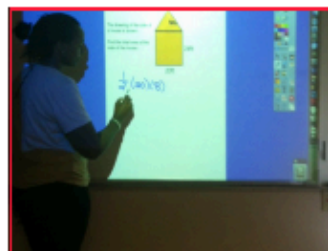

I absolutely love my students. They have really showed me that you have to think on their level and take yourself back to sitting in the same chair that they are sitting in. How would you want your teacher to teach this material to you? So I get the students input and implement it into my lesson to see if the students learn the material best

that way. One example of this is a student suggested that I incorporate videos into the lesson. What a great idea to differentiate instruction. After incorporating the video, students said they can understand the lesson more.

Remaining consistent with everything is very important in being a teacher. That includes classroom management, grades, planning and doing something when you say you are going to do it.

I am proud to say that I am a Charger at Hallandale High School!

Javett Smith

Do WHAT? WHEN?

Dates to Remember:

April 14, 2012	GKE English Workshop (9:00am-12:00pm, Central Campus, 9/227)
April 14, 2012	Professional Exam Workshop (1:00pm-4:00pm, Central Campus, 9/227)
April 21, 2012	GKE Math Workshop—Geometry (8:30-12:30pm, Central Campus, 9/227)
April 21, 2012	GKE Math Workshop—Probability & Statistics (1:30pm-5:30pm, Central Campus, 9/227)
April 28, 2012	FTCE Elementary Education Subject Area Workshop (9:00am-3:00pm, Central Campus, 9/228)

****Please be sure to view the TEP Blog for additional workshop/event dates**
