

Good Afternoon Blue Devil Families,

We are pleased to share that we will be offering one full-day kindergarten class for the upcoming school year. Because space is limited, we will be using a structured enrollment and lottery process to ensure fairness for all families.

Registration Process

All families interested in full-day kindergarten must complete their child's [registration](#) (here is the link to register) by June 12. Only students who are fully registered by this date will be eligible for the lottery.

Lottery Details

On June 15, we will conduct a lottery for 20 available spots.

A total of 25 names will be drawn:

- The first 20 students selected will receive placement in the full-day class.
- The next 5 students will be placed on a waiting list. If a family declines or vacates a spot, we will move to the next name on the list. Families selected will be contacted on June 16th.

Payment Requirements

Families selected for full-day kindergarten will be required to submit:

- A \$500 down payment by June 30
- A second \$500 payment by August 1
- Payment can be made by check, cash, or credit card to the board office.
 - If you are paying by credit card, please use this link to pay.

Failure to meet either payment deadline will result in your child being moved back to half-day kindergarten, and we will offer the open spot to the next family on the waiting list.

We appreciate your cooperation and look forward to supporting your child's transition into kindergarten.
