[Verse 1]

D# **A#/D**
There's a calm surrender
D# **A#/D**
To the rush of day
D# **A#/D**
When the heat of a rolling wind
Cm7 **F**
Can be turned away
D# **A#/D**
An enchanted moment
D# **A#/D**
And it sees me through
D# **Gm**
It's enough for this restless warrior
G# **F**
Just to be with you

[Chorus]

A# **F/A** **Gm** **D#**
And can you feel the love tonight?
A# **D#** **C/E F**
It is where we are
D# **A#/D** **Gm** **A#/F D#**
It's enough for this wide-eyed wanderer
Cm **A# D# C/E F**
That we got this far
A# **F/A** **Gm** **D#**
And can you feel the love tonight?

A# **D#** **C/E F**

How it's laid to rest?

D# **A#/D** **Gm** **A#/F D#**

It's enough to make kings and
vagabonds

Cm **A# D#/F D#/A# A#**

Believe the ve - ry best

[Verse 2]

D# **A#/D**
There's a time for everyone
D# **A#/D**
If they only learn
D# **A#/D**
That the twisting kaleidoscope
Cm **F**
Moves us all in turn
D# **A#/D**
There's a rhyme and reason
D# **A#/D**
To the wild outdoors
D# **Gm**
When the heart of this star-crossed voyager
G# **F**
Beats in time with yours

[Chorus]

A# **F/A** **Gm** **D#**
And can you feel the love tonight?

A# **D#** **C/E F**

It is where we are

D# **A#/D** **Gm** **A#/F D#**

It's enough for this wide-eyed wanderer

Cm **A# D# C/E F**

It's enough to make kings and
