### IBSC STYLE 2018

Follow the instructions below in order and complete the tasks as quickly as you can. You might find that you have done some parts of each task already, which is ok. 2. Create a "6 Word Story" - [Just what is a 6 word story, anyway? Read this for inspiration](#) The idea is to give each other a 'sense' of who you are as a teacher-researcher - at this point in the journey. Have some fun - make it look fancy!

**Add your "6 Word Story" to your Google Doc**

  - b. You will be asked to join your PRIVATE facebook team group by your advisor.

*Laura:* [laura.sabo22](#)

*Trish:* [trish.cislak1](#)

### Add your Skype Name to your Google Doc

You will need to ask your school's IBSC key contact person (usually your Head's PA) to add a profile on the Member Centre for you. [See these instructions for more information](#).

7. Once you have done the above, login into and explore the IBSC Member Centre and [download, and read, some past action research reports](#) for your reference.
