Building a Bridge to Success

Quadrathon

Notices have gone out to all involved. We are hoping for a great day on Tuesday and may the sun shine warmly on that unheated pool at Waiwera South.

Beach Ed

A huge thanks to Rose Sutton, Sean O'Boyle, Brad Sutton, Brendan Morrison, Mike Hosking and Tegan Malone for putting their hands up to assist with adult supervision for the Beach Education experience. This is the first time for a while that we have taken part in this programme as it is quite expensive (\$17.50 per student) but we believe it is of benefit to our tamariki with Kaka Point on their doorsteps. The board will be covering the cost of this programme and the bus. This programme takes place no matter what the weather as they have an alternative programme for wet days. Students will all travel by bus and adults are welcome to travel with us or take their own vehicle.

What to Bring: **BOTH ADULTS AND STUDENTS**

Togs

Towel

Body board (if you have one)

Wetsuits are recommended (if you have one)

A warm change of clothes

Students all wear mufti appropriate to the weather on the day

South Otago High School Junior Production Monday 2nd December

We are taking the Year 0-3 tamariki to this production "The Christmas Curse". We have several ex-students performing so it will be great to see them on stage. If the weather is fine, we will be stopping at Naish Park for morning tea and a play in the playground before returning before lunch. The bus will be paid for by the Board of Trustees along with the entry koha.

Reminder to all parents making payments into the school account **PLEASE** add name & what the payment is for in the reference for the deposit:
Bank account details: 03-1734-000-1963-00

Note - There have been quite a few students away this week as there is a stomach bug going around. Please ensure that students stay home until they are well and there has been no vomiting or diarrhoea for 24 hours

Mā te wā (Until next time)
