

VERNEY'S CAMP

HWANGE NATIONAL PARK

Verney's is a private concession area in a typically unused part of Hwange National Park in Zimbabwe. It is a beautiful amphitheater fringed by teak forest that opens up onto an impressive waterhole that is a playground to the famous elephant herds of Hwange. Verney's joined the Machaba Safaris group in 2017 with a totally clean piece of unspoilt wilderness. Verney's Camp is being built in keeping with Machaba Safaris' winning recipe that matches the timeless wonder of a classic safari to Africa, aimed at the affordable luxury travel markets worldwide for both the novice and the well seasoned safari traveller.
