

# The Second Official Titles Act

## Preamble

**WHEREAS** SimDemocracy does not currently use a series of differing titles in its diplomatic relations with the democracy simulator known as Voices Democracy in random and confusing patterns.

**WHEREAS** The above mentioned could add to the two democracy simulators' complicated relations, it would for certain be funny though.

**THEREFORE** We should do sp.

**HEREBY** presenting The Second Official Titles Act.

## Article 1 — Titles and their usage

**§1.** The titles that will be used to refer to SimDemocracy in diplomatic relations with Voices of Democracy will be: Republic of SimDemocracy, SimDemocratic Republic, SimDemocracy Republic, MobilFan's Subterranean Dungeon, Commonwealth of SimDemocracy and its Protectorates, SimDemocracy Heavenly Kingdom of the Iron-fisted Wick Emperor, Free SimDemocratic People's State, Free People's State of SimDemocracy, People's Free Democratic People's Republic of Simulated People's Democracy, [Use random boomer's name]'s Baby Assembled, Nth Galactic SimDemocracy Empire, Demesne of Its Terrible Magnificence the Security Bot Wick, [Insert username/nickname of incumbent president]'s Tribelet of Election Nerds, Presidential VoD.

**§1.1.** SimDemocracy will only be referred to with the titles listed above in diplomatic dealings with Voices of Democracy and only with Voices of Democracy. All domestic documents and diplomatic dealings with political simulators other than Voices of Democracy will continue to refer to SimDemocracy simply as SimDemocracy.

**§1.2.** The above listed titles will be used arbitrarily in intergovernmental documentation and talks with Voices of Democracy. Multiple of the before mentioned titles are allowed and encouraged to be used in the same document.
