

DIY Crayons on Family, Love and Other Stuff

Supplies

- Crayons (about 20 for each child)
- Muffin Tins
- Muffin Liners

Directions

- Preheat oven to 200 degrees
- Peel paper off of crayons (if needed)
- Break crayons into smaller pieces (if needed)
- Line 6 muffin tins with muffin liners
- Distribute broken crayons between muffin tins
- Once children have distributed crayons, place muffin tins in oven and cook until melted (about 20-25 minutes)
- Remove from oven and let cool
- Once the crayons are cooled and solid, remove muffin liners to see the new crayon creations
- Create beautiful artwork with the new crayons or put in cellophane wrappers to give as party treats
