

Review of Missional Needs and Opportunities: Questionnaire FAQs

What is this?

This questionnaire forms part of the Review of Missional Needs and Opportunities, commissioned by the Mission and Leadership Development Board and carried out by AngelWings Ltd. More on the Review [here](#).

This questionnaire is drawing wide feedback from across the Uniting Church in Australia – South Australia on missional needs and opportunities in 2023 and beyond.

Who can do this questionnaire?

Anyone who is a part of the Uniting Church in South Australia. You!

How long will it take to complete?

The first section takes about ten minutes to complete. And then there are some more questions if you're happy to answer more. (Those questions will take another 10 mins.) (Someone who tested it for us said it was "fun".)

Why should I do it?

Have your say! We're keen for everyone to have the opportunity to contribute to this Review.

Are my responses anonymous?

Yes. You're not asked to provide any identifying information. If we think something you said might make you recognisable, we won't include that detail in any reports etc.

Can I leave it and come back?

Yep! If you want to pause and return to the questionnaire at a later point, you can absolutely do that. Just make sure you come back on the same device (eg laptop or phone).

How can I help?

Please complete the questionnaire, and encourage others to do so as well.

When does the questionnaire close?

The questionnaire closes on Monday 10th July.

What if I have more comments?

We'd love to hear it! Please get in touch with us: reviewmissional2023@gmail.com
