Privacy Policy

Effective Date: 12/11/2025

Thank you for choosing to use "Assam Police Exam " Your privacy is important to us. This Privacy Policy explains how we collect, use, and protect your information when you use our mobile application.

Information We Collect

This app does not require you to register or provide any personal information. However, the following types of data may be collected automatically:

Non-Personal Information:

Device information (such as device model, operating system, and version).

App usage statistics (e.g., the number of times the app is used).

Ad-Related Information:

We display ads in the app using third-party services. These services may collect data such as your device's Advertising ID to serve personalized ads in compliance with Google Play policies.

How We Use Information

The information we collect is used to:

Improve the app’s functionality and user experience.

Display relevant advertisements through third-party ad providers.

Analyze app performance and usage statistics.

Third-Party Advertising

Our app displays ads provided by third-party services, such as Google AdMob. These services may collect and use data, including your Advertising ID, to show relevant ads. For more information, please review their privacy policies:

Google AdMob Privacy Policy

Data Sharing

We do not sell, trade, or otherwise transfer your personal information to outside parties. However, anonymized and aggregated data may be shared with third-party services for analytics and ad-serving purposes.

Your Choices

Ad Personalization: You can opt out of personalized advertising through your device settings. For Android, go to Settings > Privacy > Ads and select Opt out of Ads Personalization.

Data Access and Deletion: You may request access to or deletion of data collected by contacting us via email.

Data Security

We prioritize protecting your information. While we implement measures to secure data, please note that no method of electronic storage or transmission is 100% secure.

Content Disclaimer

All questions and study materials in this app are collected from open sources and created using Artificial intelligence (AI) We do not provide any guarantee regarding the correctness, accuracy, or completeness of the content and syllabus. Users are advised to use the information at their own discretion.

Children’s Privacy

Our app is not intended for use by children under the age of 13. We do not knowingly collect any personal information from children.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted within the app, and the "Effective Date" at the top of the policy will be updated.
