ATL Dashboard Training for ATL in charge and advisory members.

On 9th March 2022 from 11 am to 4 pm at Panchavati college of management and computer science auditorium. Prin. C. G. Dighavkar was the coordinator for the training. Hon. Shirsath sir, Dalvi sir, Shardul sir guided very well during the session. All doubts and queries of the members are resolved by the trainer.

As an Advisory member I visited LVH Vidyalaya, Sawatanager and KBH Pawannager School, CIDCO, Nashik on 28th May 2022 to provide guidance to the students and collect information about various activities performed under the ATL scheme. Head master Shri Shirsath Gansingh Vitthal and Shri. Pawar Appa Dhansingh showed a sanctioned letter of the ATL scheme and documents related to purchasing order of the instruments. Total 33 students enrolled for the training. The performance is quite satisfactory.

During visit main discussion on:

- Suggestion to keep updating the My ATL dashboard accurately and regularly for every month.
- To follow ATL calendar for running innovative activities for the students to develop scientific temper among them.
- Discuss on issues of laboratory safety.
- 3 laptops for each school were provided. They are in working condition. Formatting is

required as laptops work very slowly.

Visited Sawatanager school. Discussion with Vishal Suryawanshi sir (ATL in charge)
