

Polasaí Gléasanna Leictreonacha

Seo a leanas polasaí Ghaelscoil Míde maidir le gléasanna leictreonacha, mar shampla, fóin póca, táibléid, iPods, iPads, DS, Kindles srl.

Níl cead ag aon pháiste fón póca no aon ghléas leictreonach eile a bheith ina seilbh in am ar bith sa scoil, ar an bhus nó ar aon ócáid scoile, mar shampla, turas scoile, cluiche peile srl.

I gcásanna eisceachtúla, ma chruthaíonn an riail seo deacrachtaí móra, mar shampla, páiste a théann abhaile ar an DART nó le Bus Átha Cliath, iarraimid ar thuismitheoirí teagmháil a dhéanamh leis an phríomhoide chun socrú eile a phlé.

Is ar mhaithe le leas agus cosaint leanaí atá an riail seo a chur i bhfeidhm.

Policy on Electronic Devices

Gaelcoil Míde's policy on electronic devices, e.g. mobile phones, tablets, iPods, iPads, DS, Kindles etc. is as follows:

The children are not allowed to have any electronic devices in their possession at any time in the school, on the bus or at any school event, e.g. school tours, matches after school etc.

In exceptional cases, where this rule causes major inconvenience for families, e.g., children who come to school on the DART, Dublin Bus etc., we ask that parents contact the principal to discuss alternative arrangements.

This rule is being put in place for the welfare and protection of the children.
