

EXTENDED DAY INFO SHEET

The Extended Day program is intended to be a less structured time where kids can spend time with children in other groups and relax after their very busy, structured day at camp. At Extended Day, children may choose to go swimming, play cards, do simple arts & crafts activities (e.g. gimp, coloring, etc), or play a game on the field with sports equipment. Some children choose to spend this time reading a book or simply talking with friends.

AM Extended Day runs from 7:15am - 8:15am.

PM Extended Day runs from 4:00pm - 6:00pm. At the end of the camp day, group counselors walk their children over to a designated "Extended Day" spot in the Visual and Performing Arts Center. The staff takes attendance and then the entire group moves to the area near the pool for activity time. At 5:30, the pool closes and staff members begin to prepare the campers for dismissal.

The Extended Day Coordinator: The Extended Day Coordinator is the point of contact for parents and those on your authorized pick-up form. Please feel free to check in with him with any questions or concerns when you pick your camper up. Remember to have your ID with you when you go to sign out.
