

- 4 Wheelchairs
- Start outside at Kenwood mall
- Students pair up with wheelchairs
- Organizers are stationed at different locations
  - One right inside the door (the person that happens to see you in the hallway and is a good person)
  - Someone waiting at the elevator to open it
- Students go to the SDA room in the wheelchairs
- After everyone gets to the room, talk about how to possibly help better accommodate students with wheelchairs

Select few opt to do wheelchairs and report back on experience (possibly)
