Choosing a course now, reserves you a place in that class. There is no assurance you will be able to get into other classes later. Entry into a different class is based on space available and class balance basis. Changes to and from honors courses require a meeting with the student, teacher, and parent/guardian; the space available/class balance guidelines applies.

Kansas Scholars Recognition - requires 2 years of the same foreign language among other criteria. Visit https://www.kansasregents.org/students/student_financial_aid/kansas_scholars_curriculum for more information.
