Superintendent Report

- Playground at 3 elementary schools
- Report on LHS athletic facility updates and MLMS office
- Enhanced partnership with Duo Marketing for school social media
- Podcast - goal is to get more in depth stories to our headlines

- Outdoor Learning Center - basement of the mess hall and outdoor restrooms will be finished soon.
- Jason asked about enrollment.

  LHS increased by approximately 130 and elementary is trending downward. This is the trend statewide. The District is looking for ways to reach out to families especially in all new high density construction areas.
