For thread fics/full writing commissions

What to expect

When contacting me for a commission (through Discord, Twitter/Tumblr DMs, etc.), expect me to ask what fandom first so that I can ensure I am up for writing in that fandom. From there, we will talk about the ship(s), trope(s), and anything else you specifically want included in the fic. We will also confirm a **max** word count.

I want to make sure I bring your fic idea to life in the exact way that you want; therefore, I will send constant (every 1-2 days) updates with:

- Fic progress
- Estimated finish time
- Any issues/questions

If for whatever reason I am unable to finish your commission, you will receive a **partial refund** for the words not written.

What I need from you

- Fandom you want me to write in
- Ship(s) you want me to write
- Trope(s) you want included
- Squicks/DNW

Payment will be expected **in full** at the start of the commission. Please also be available/checking your messages for updates from me during the writing process to avoid any issues or misunderstandings.

For tarot reading commissions

What to expect

When contacting me for a tarot commission (through Discord, Twitter/Tumblr DMs, etc.), expect me to ask some preliminary questions (e.g “when is your birthday”). From there, I will do a “live” reading where I pull the card(s) in real time and send you the meanings and interpretations in real time.

I want to make sure I thoroughly address your concerns; therefore, I will send:

- Picture(s) of the card(s) pulled
- Picture(s) of the card(s) meaning
- How the card(s) apply to your situation

If for whatever reason you are unsatisfied with your reading, you will receive **a partial refund**.

What I need from you

- Question/Theme you are concerned about
- Your birthday
- Any other information that applies to the situation/question/theme you’re asking about

Payment will be expected **in full** at the start of the commission. Please also be available/checking your messages for the results from the reading so that the reading can be more of a dialogue.
