

Hilton High School Student Parking Attestation

-to be handwritten when meeting with Dr. Green-

Today's Date is <INSERT DATE HERE>

I <PRINT MY NAME HERE, PRINT MY GRADE LEVEL HERE> viewed all Hilton High student parking materials.

1. I understand that parking on campus is not a right. It is a privilege that can be revoked for not meeting expectations.
2. I understand I can ride district provided transportation to school, or live close enough to safely walk.
3. I understand I must be on time to my classes, and that traffic is not an acceptable excuse.
4. I understand where I am allowed to park on campus, and where I am not allowed to park on campus.
5. I understand we have Food Service, Technology, Buildings and Grounds, and other staff members that come and go throughout the day as part of their job responsibilities. None of these staff members are able to take district provided transportation to and from campus. This is why there may at times be spots available in the staff lot, but it is not appropriate for me to park in the staff lot for any reason, at any time during the school day.
6. I understand that if I do park inappropriately, I will receive a consequence the very first time, and consequences will escalate with any future incidents of parking inappropriately, ultimately leading to suspension from school and revocation of my parking pass without refund.
7. I also understand Hilton High School is not an open campus. I cannot leave the building during the school day for any reason unless I have been properly signed out in advance through the attendance office. This is a safety expectation and I realize that not following it will result in being suspended from school for the very first offense.

I met with Dr. Green to review these expectations and had the opportunity to ask any clarifying questions to prevent any possible confusion on my part regarding my understanding of the expectations and the associated consequences.

Sincerely,
