

HRHS Orchestra Concert Attire

Policy

Concert attire is a requirement to participate in the HRHS Orchestras.

Measurements and payments are collected at the student and parent meeting at the beginning of the school year, and Orchestra Booster volunteers take care of ordering and distributing dresses when they arrive.

Failure to provide measurements or payments by the designated due dates will result in a higher cost for those who are late because they will not be able to take advantage of the savings on shipping and handling the Boosters realize by placing larger orders.

In addition to the dress you are required to wear **black closed-toe shoes** and keep jewelry to a minimum.

Pricing

Symphony Dress: \$ 72.00

Chamber Dress & Pin: \$ 92.00 (Pin Only is \$9)

Please make checks out to the HRHS Orchestra Boosters. Checks, cash or Family Account funds may be used.

Alterations

Alterations are the student's responsibility prior to the first concert.

These are stock dresses and not custom made to student's measurements. Dresses should be floor length.

When making alterations please provide for room in the bodice of the dress to allow you to play your instrument—this often requires slightly more room for bowing and leaning than you might normally prefer in a dress.

Thanks,

Rosann Moore
