Minisode - Robert W. Smith. Host Fossil Chops joins J. Sage Lee, Jeff Ream, and Paris Foreman to remember the enormous contributions that Robert brought to the drum corps world, much of which is unknown to the activity to this day.

Drum Corps AF is an irreverent podcast about drum corps and the marching arts. We love the activity, but we also get sick of all the saccharine BS that passes for commentary. Call it snark or call it shade, it's what we do. But at the end of the day, we still love drum corps.
