0:00 THEME OF SALYER; KOREAN

0:34 welcome to the castle super lazy content cast~! Pat's lookin' healthy. Apparently. Pat is super exhausted and burnt out. Same with woolie.Keep doin' what you're doing for the kids, woolie

 - 2:02 when your employer tells you to come in for multiple days in a row. Being self employed and what you can do to yourself

WEEK OF THE BEAST LORDS

WOOLIE

3:35 playing baba is you exhausted. The mental damage of playing it and making one feel like a fool

 - 4:58 what baba is you asks of you

 - 6:18 The fear of what looks like a super simple level that looks impossible

 - - 7:58 wordle with a word with only the letter Y

 - 10:27 So, woolie played baba is you for charity. Experiencing maximum anguish and then switching to kirby.

 - 11:14 neither reggie nor woolie being able to figure out the puzzles

 - 12:59 not feeling good to solve for woolie because it feels like he stumbled onto the solution instead of thinking it through

 - 13:55 the one woolie got stuck on

 - 15:18 baba is you as 'nonsensical', the basic rules of baba is you

 - 17:28 no privileged reference point in space

18:23 kirby and the forgotten lands is relaxing. The anime OP was cute. Nightmare twitter images

 - 19:04 mouthful mode is a new development. Going back to kirby on his own time

- 20:40 pat playing kirby himself. It was nice. Pat wanting more difficulty. Eliciting a feeling similar to animal crossing

 - 22:31 the interview with the devs. Making things easier for the player and not wanting to put more enemies in for kirby's sake

 - 24:31 the low number of powers in this game

 - - 26:29 the average number of powers in a kirby game

 - 27:55 how far pat got

29:08 playing CvS2. On why CvS2 hasnt gotten a rerelease

 - 30:31 "2D will never die"

 - 32:05 custom intros between 2 characters were the best

 - - 34:08 other fighting games that put in effort for unique interactions

 - 37:47 6 grooves per character and multiple ratios

 - 39:19 the free ratio system

40:01 all that and more on the channel, elden ring continues. The speedrun is down to under 20 minutes. Open worlds being incapable of not having bugs.

 - 42:08 The woolie sword and the turtle shell

 - 43:33 wanting glamour at some point

 - 44:44 messing around with the moonveil sword

 - 47:22 being liberal with his weapon choices

 - 47:58 a certain bear, breaking AI, breaking a bird

 - - 50:52 dragons and mounted knights with their own issues

 - - 52:47 trying to pinpoint why these bugs are happening, common dev solutions clipping problems

 - 55:05 have you had to do any grinding for a set you wanted? Drop rates feeling ridiculously low

- 59:09 wondering if there is a better system for that randomness

- 1:01:05 the enchanted knight set, sets woolie has picked up

1:02:05 all that and FFVI over at woolieversus! The charity stream will go up soon too. More than $10,000 raised! You can run a tournament on that money

PAT

1:04:21 aside from ghostwire tokyo and kirby, he played weird west. Its really cool.

- 1:06:05 0451 is in

1:07:10 NORCO. Lookin around southern cyber gothic louisiana

1:11:52 thats it for pat. Putting up some pre-recorded stuff this week and catching Z's. GO check his stuff out at patstaresat!

1:12:31 SPONSOR: DOORDASH

NEWS

1:14:48 rumors of gamepass competitor from sony. May be a merging of stuff like PS+ and PSnow, will most likely not include the biggest titles day 1

- 1:16:27 on the audience for subscription services

- 1:19:45 how old will the games be?
