

Through your courses in D2L, you have access to **4 free hours of individualized online tutoring** support through tutor.com. To access a tutor, please follow these instructions:

- Click into a course in D2L
- Choose 'Student Supports' from the top menu, then 'Tutor.com'
- Once in tutor.com, click 'connect with a tutor now'
- Under topic, choose 'Nursing and Healthcare'
- Under subject, choose 'Medical Assistant'
- Enter a question – this could be something as general as 'I need help with an assignment' then submit
- Depending on availability, students could be immediately connected with a tutor via video chat
- All students have access to 4 hrs of free tutoring through this service.
